

# Ozarks Clean Fuels Coalition

A U.S. Department of Energy partnership to advance clean transportation nationwide

## Who We Are

We are a multi-stakeholder organization engaged in advancing affordable, clean transportation. We work to support regional economic, environmental, and energy security by advancing affordable clean transportation fuels and fuel-saving technologies/practices through regional partnerships.

## What We Do

The Ozarks Clean Fuels Coalition (OCFC) offers access to alternative and renewable fuels, establishes partnerships in the region, provides technical support, and grants members access to resources.

## What We Can Do For You

### **COST SAVINGS**

Money saving advice that reduces dependence on non-domestic petroleum.

### **FUNDING**

Help obtaining grants and/or loans for the use of alternative fuel vehicles.

### **INCREASE FUEL EFFICIENCY**

Guidance on lowering harmful vehicle emissions, reducing fuel consumptions, and improving air quality.

### **ACCESS TO EXPERTS**

In-depth education on alternative fueled vehicles.

### **NETWORKING OPPORTUNITIES**

Gain valuable insights and establish long-lasting partnerships with access to our vast network of coalitions, partners, and members.

### **GRANT WRITING ASSISTANCE**

Guidance on grant writing, application submission, and support.

## Membership

- Technical Assistance
- Local Event Notifications and Access to Workshops/Conferences
- Clean Cities University Course Access
- Access to Grant Funding
- Grant Writing Support
- Logo and Link on our Website and Social Media
- Participation in Regional Alternative Fuels Infrastructure Plan Development
- Quarterly Networking Meetings
